

Signa Solo™

More Clarity and 10x the Bass

Signa Solo™

The Polk Signa Solo sound bar with integrated subwoofer delivers an immersive home theater experience - far outperforming to your TV speakers. Optimized to make movies, TV, sports and music come alive, it features patented SDA® surround technology for a wider, more immersive listening experience and VoiceAdjust® technology for crystal clear dialogue. And built-in *Bluetooth*® let you stream all of your favorite music wirelessly

Features

Performance Full-Range Sound Bar

Dolby Digital decoding creates incredible room-filling virtual surround sound that easily beats your TV's small speakers.

Polk SDA® Surround Technology

Patented Stereo Dimensional Array (SDA®) surround technology creates an expansive soundstage and detailed stereo image, while delivering a natural multi-dimensional sound experience.

Polk VoiceAdjust® Technology

Customize the voice levels to reproduce clear, crisp dialogue and never miss a single word of your favorite movie, TV show or sporting event.

Polk IR Learning

Polk Smartbar® technology ensures the sound bar works with your TV's remote.

Easy Setup

Included optical cable quickly connects your TV to the sound bar so you're all set up and listening in minutes.

10x the Bass

With 10x more bass than your TV speakers, you get deeper and punchier lows without the need for a separate subwoofer.

Wireless Music Streaming

From your smartphone or tablet with *Bluetooth*®
